EXPRESSION OF INTEREST FOR DATA COLLECTORS IN SELECTED STATES ON THE ADMINISTRATION OF CRIMINAL JUSTICE LAW

Position	Data Collector (Short-Term Engagement)
Engagement Duration	Approximately 5 Working Days

Background

The CLEEN Foundation is a non-governmental organisation dedicated to promoting public safety, security, and accessible justice in Nigeria. As part of our ongoing efforts to strengthen the justice system and further interrogate the Criminal Justice System, we are conducting a study to assess the implementation of the Administration of Criminal Justice Law (ACJL) in twelve focal states. To this end, CLEEN Foundation is seeking experienced and professional Data Collectors to support this short-term research project. The focal states for the project include Enugu, Imo, Akwa-Ibom, Cross River, Ekiti, Lagos, Benue, Plateau, Adamawa, Gombe, Jigawa, and Kaduna states.

Purpose of the Study

Building on CLEEN Foundation's ongoing commitment to justice sector reform, this study aims to critically assess the implementation of the Administration of Criminal Justice Law (ACJL) in the focal states. The core objective is to evaluate the effectiveness of the law in practice, identify significant achievements, and uncover the challenges and drawbacks hindering its full application. The data gathered will provide a robust evidence base to inform targeted advocacy and support strategic interventions aimed at strengthening the administration of criminal justice in Nigeria.

Key Responsibilities

The selected Data Collectors will be responsible for the following tasks in their assigned state:

- Administering quantitative survey instruments to stakeholders within the Criminal Justice System in the focal states.
- Conducting qualitative data collection through In-depth interviews with key stakeholders.

- Ensuring the accurate and timely collection of high-quality data in line with the study's protocols.
- Providing daily field updates to the project supervisor.
- Submitting a comprehensive field narrative report upon completion of the assignment.

Required Qualifications

- Demonstrable experience in conducting both quantitative and qualitative data collection for research projects.
- Excellent understanding of research ethics and data confidentiality.
- Strong communication and interpersonal skills.
- Familiarity with the justice sector in the state of interest is a significant advantage.
- Ability to work independently and meet strict deadlines.
- Must reside in the State of interest

Note: CLEEN will conduct a verification of all the submitted requirements and qualifications accordingly.

Submission of Interest

Interested and qualified candidates are invited to submit their Curriculum Vitae (CV) to procurement@cleen.org.

Your CV must clearly detail your previous experience in data collection, highlighting specific projects, methodologies used (quantitative/qualitative), and your role in those projects. Please use **"Data Collector - [Your State of Interest]"** as the subject of your email (e.g., "**ACJA Data Collector - Ekiti State"**).

Application Deadline: Applications will be reviewed on a rolling basis, and successful applicants will be contacted.

Please Note:

- Only shortlisted candidates will be contacted.
- Female & PWD applicants are encouraged to apply
