Alarm Instructions

The alarm control panel is located on the right when entering the apartment.

To exit the apartment, press the top left button with a locked padlock on the panel to activate the alarm. Go out and lock the door with the key.

To enter the apartment when the alarm is on, deactivate the alarm with the black box by pressing the button with an open padlock. Then, open the door with the key.

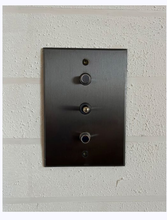

If the alarm still goes off, you can deactivate it with the small black card by placing it on the control panel.

Global Light Switch

Upon entering the apartment on the left, there is a switch that allows you to turn on or off all the lights in the property.

Air Conditioning / Heating

Each room is equipped with a Daikin air conditioning control panel. Temperatures are set in degrees Celsius. Please do not use the air conditioning with doors or windows open.

TVs

The apartment has three TVs located in the living room, kitchen, and master bedroom. With the TV control, you can access applications like Netflix, Amazon Prime Video, Disney+, Apple TV, and cable TV.

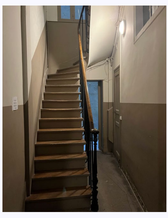

Sound System

For the sound system in the living room, once connected to Wi-Fi, open Spotify, select the relevant room, and play.

Garbage Disposal

The garbage disposal area is on the ground floor, in the inner courtyard to the left as you exit the building.

Cleaning Service

Laundry and dry cleaning services are available upon request at an extra cost.
