43003

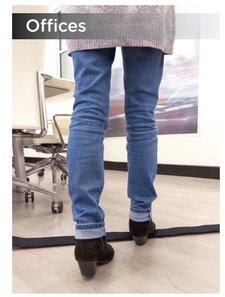

6ft. cord cover
Protector de cable de 6 pies (1.8m)

Cuttable material
for customizing to your space.
Material que se puede cortar
para adaptarlo a su espacio.

Double-sided tape (included)
easily secures to most surfaces.
La cinta adhesiva de doble cara (incluida)
lo fija fácilmente a la mayoría de las superficies.

Rounded surface
prevents snags and tripping.
La superficie redondeada
evita rajaduras de tropiezos.

Instructions: Insert cord into pre-split channel on bottom of cord cover. Use double-sided tape to secure cord cover to floor, counter or wall. If cord cover does not lay flat out of the box, re-coil cover in opposite direction to reduce curling. To see a video demonstration, go to byjasco.com/cordcover.

Instrucciones: Inserte el cable en el canal preformado en la parte de abajo del protector de cable. Use la cinta adhesiva de doble cara para fijar el protector al piso, una encimera o pared. Si el protector de cable no queda extendido al sacarlo de la caja, enróllelo en la dirección opuesta para reducir el curvado. Si desea ver un video de demostración, visite byjasco.com/cordcover.

CAUTION: Tape adhesive may cause damage to some surfaces.
PRECAUCIÓN: La cinta adhesiva puede provocar daños a algunas superficies.
