Study in The Kingdom of Saudi Arabia

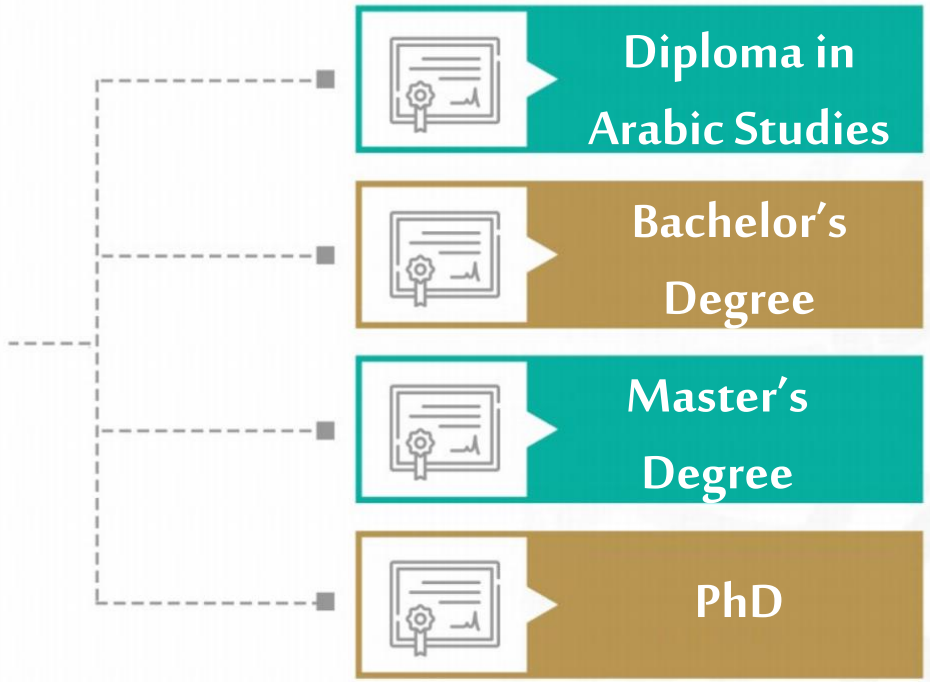

In the Name of Allah, the Most Compassionate, the Most Merciful

Educational Programs in the Kingdom of Saudi Arabia

The Kingdom of Saudi Arabia is giving an opportunity to all international students to apply at any of its universities

Study any major (excluding medicine) at any of the following levels:

Application Requirements

01 The applicant must between the ages of 17 and 25 for bachelor's degree, Diploma in Arabic Studies, or any other equivalent qualification. For a master's degree their age should not exceed 30 and for a PhD they should not be older than 35.

02 Consent to study in the Kingdom must be given by the government of the applicant from those countries that stipulate the same for Saudi students.

03 The applicant should not have previously attained a scholarship to study in any educational institute in the Kingdom.

04 All certificates and identification papers must be attested by the authorities specified by the educational institute.

05 The applicant should not have been previously expelled from any educational institute in the Kingdom.

06 The applicant must pass a medical exam stipulated by Saudi law and the Ministry of Education.
