# FRESH GRIND AMERICAN COFFEE

## قهوة أمريكية طازجة مطحونة (إثيوبية أرابيكا)

ETHIOPIA ARABICA

The easier, quick, and practical solution for freshly distilled filter coffee to go straight into your cup—no need for a coffee maker.

UFO Coffee provides a single-serve coffee filter featuring freshly ground American coffee made from Ethiopian Arabica beans.

A mixture of the best coffee varieties that produces a delicate and flavorful result, rich in aroma and taste. Each serving provides one cup of freshly brewed coffee made from pure ground beans. A convenient, quick, and clean method to make a cup of coffee with a full-bodied, rich aroma and taste.

Relax with a fresh cup of coffee with every sip, anytime you like.

الحل الأسهل والأسرع والعملي لقهوة مُرشّحة طازجة تُحضّر مباشرةً في كوبك - دون الحاجة لآلة صنع القهوة.

يوفر يو إف أو كوفي قهوة مُرشّحة بجرعة واحدة، مصنوعة من قهوة أمريكية طازجة مطحونة من حبوب أرابيكا إثيوبية.

مزيج من أجود أنواع القهوة يُنتج قهوة رقيقة ولذيذة، غنية بالرائحة والمذاق. كل جرعة تُوفّر كوبًا واحدًا من القهوة الطازجة المُحضّرة من حبوب مطحونة نقية. طريقة سهلة وسريعة ونظيفة لتحضير كوب قهوة بنكهة غنية وغنية.

استمتع بفنجان قهوة طازج مع كل رشفة، في أي وقت تُريد.

**صحـون المنيـوم :** تعتبـر مـن أكثـر الصحـون المسـتخدمة فـي مجـال الأطعمـة السـريعة فـي المطاعـم والمحـلات التجاريـة. وتتميـز بمقاومتهـا للحـرارة دون ذوبـان أو احتـراق، ومحافظتهـا علـى نكهـة الطعـام الأصلـي.

## استخدامات الالمنيوم:

يسـتخدم الألمنيـوم للمسـاعدة فـي طهـي الطعـام وتخزيـن بقايـا الوجبـات فـي الثلاجـة، أو تغليـف الشـطائر التـي نحملهـا معـاً إلـى العمـل.

إلا أن الكثيـرون لا يدركـون أنهـم يسـتخدمون الألمنيـوم بطريقـة خاطئـة فـي طهـي وجبـات الطعـام فـي الفـرن، وهـذا مـا أوضحـه الطاهـي تـوم كيـردج خـلال برنامـج تلفزيونـي.

يقـول كيـردج إن ورق الألمنيـوم يملـك وجهيـن أحدهمـا لامـع والآخـر غيـر لامـع، ويجـب أن يكـون الوجـه اللامـع للأسـفل عنـد تغليـف صينيـة الطعـام قبـل وضعهـا فـي الفـرن لأنـه الوجـه العاكـس، فـي حيـن أن الوجـه غيـر اللامـع يجـب أن يكـون للأعلـى.

وشـرح كيـردج هـذه الحيلـة، خـلال إعـداده طبـق السـمك المشـوي فـي الفـرن، ضمـن وصفـات برنامـج "فريـش سـتارت"، الـذي يسـاعد علـى إصـلاح العـادات الغذائيـة لـدى المشـاهدين.

وعبـر الكثيـر مـن المشـاهدين عـن دهشـتهم مـن هـذه الحيلـة، واعتـرف الكثيـرون أنهـم لـم يكونـوا علـى علـم بهـا، فـي حيـن أنكـر فريـق آخـر أن يكـون لاتجـاه ورق الألمنيـوم أي تأثيـر علـى عمليـة الطهـي، بحسـب صحيفـة ميـرور البريطانيـة.

# CUSTOMISATION

## 6-COLOUR FLEXOGRAPHIC PRINTER

At Alshaye International Contracting Company, our customization capabilities are enhanced by our state-of-the-art 6-colour flexographic printer, allowing us to print your artworks with precision and vibrant detail.

Whilst serving your meals in sustainable packaging enhances your brand by itself, one of the many advantages of using kraft paper packaging solutions is that it's fully customizable!

We use non-chemical, food-grade ink, ensuring that our prints are not only high-quality, but also safe for food packaging.

This combination of advanced printing technology and water-based ink ensures that your packaging stands out whilst maintaining the highest standards of safety and sustainability!

# HOW IT WORKS

NEED A PHYSICAL MOCK UP? WE'LL BRING YOUR VISION TO LIFE WITH A DIGITAL PRINT!

STEP 1 Contact our sales team

STEP 2 Share your design with us

STEP 3 A digital mock-up of your design will be shared for your approval

STEP 4 Once approved, we begin production

STEP 5 Your sustainably branded packaging is ready for dispatch!

STEP 6 Serve your meals in your eco-friendly packaging, especially customised for you!
