THE Little JOURNAL CLUB

Hey there journal girly!

I'm so happy you chose to download these photo templates, and I couldn't be more thrilled to help you bring your memories to life. I know how frustrating it can be to resize photos for journaling. These templates were designed to take the guesswork out of printing so you can focus entirely on the joy of creating, scrapbooking, and documenting your story quickly and easily.

How to Access & Use Your Templates

1. **Choose Your Size**: Choose what size photo paper you're planning to print..
2. **Open in Canva**: Click the corresponding button. A new window will open; click "Edit Template" to load it into your free or Pro Canva account.
3. **Add Your Photos**: Simply drag and drop your favorite pictures directly into the template photo frames.
4. **Download & Print**: Click Share > Download > Choose PDF Print (best for physical journals) or PNG. Print them at home or at a local print shop, cut them out, and stick them into your journal!
