01

## Engineering & Design Consultancy

We provide innovative engineering and design solutions tailored to meet every project's unique requirements. Our expert team combines creativity with technical precision to deliver efficient, sustainable, and cost-effective designs, ensuring seamless project execution from concept to completion.

"Innovative engineering, intelligent design - shaping solutions that inspire and endure."

02

## Infrastructure & Civil Works Construction

From large-scale infrastructure developments to complex civil engineering projects, we deliver high-quality construction solutions that meet the highest industry standards. Our capabilities cover roads, bridges, utilities, and structural works, ensuring durability, safety, and timely delivery.

03

## Interior Design & Fit-Out

We create functional, aesthetic, and inspiring spaces that truly reflect your vision while enhancing comfort, usability, and long-term value. Our interior design and fit-out services cover the entire journey – from concept planning and space optimization to material selection, execution, and finishing – ensuring every detail is thoughtfully designed and perfectly executed.

Whether it's residential, commercial, retail, or hospitality projects, we deliver customized solutions that balance style and functionality. Backed by a skilled team of designers, craftsmen, and project managers, we ensure seamless coordination, superior quality, and on-time delivery. By integrating innovative design concepts, sustainable materials, and meticulous attention to detail, we transform ordinary spaces into exceptional environments that inspire and elevate experiences.

"Transforming spaces into inspiring experiences - where design meets functionality and creativity shapes your vision."

04

## MEP Design & Implementation

Our Mechanical, Electrical, and Plumbing (MEP) services ensure optimal functionality and efficiency across all building systems. We provide end-to-end MEP solutions, from innovative designs to precise implementation, integrating sustainable technologies and ensuring compliance with international standards.

# Our People

At HPS, our people are the driving force behind our success. Their dedication, expertise, and passion are what enable us to achieve excellence in everything we do. We recognize that our progress and achievements are a direct reflection of their growth and commitment.

To nurture our team's potential, we provide clear career pathways supported by the latest training and development programs. Our certified BICS training facility ensures our workforce receives industry-leading education, equipping them with the skills and knowledge to excel in their roles.

Our business culture fosters close connections between employees and company leaders, encouraging open communication and collaboration. At HPS, leadership is a two-way street—our leaders value learning from their teams, welcoming innovative ideas and fresh perspectives to continuously improve.

We work not only for today but for the generations to come, understanding that every successful project begins long before we break ground. By embracing cutting-edge technology and recruiting top talent, we strive to deliver flawless results while building a legacy of excellence.

# Sustainability

The construction industry accounts for 37% of CO2 construction worldwide. We do not take this statistic lightly and we fully recognise our responsibility in making a change in the industry.

**REDUCE**
Reducing resource consumption

**ADVOCATE**
Advocating environmentally responsible design and operations

**INFORM**
Informing and inspiring a culture of change across the built environment.

**NET ZERO**
Commitment to reduce carbon footprint by 50% by 2050

**ENERGY USAGE**
Commitment to generate at least 3% energy through renewable sources by 2030

# Safety & Well-Being

## SAFETY, OUR FIRST PRIORITY

At HPS, we are committed to ensuring every employee returns home safely, every day. Our "Safety First" culture isn't just a slogan; it's a core value that guides our actions.

## A CULTURE OF SAFETY

We believe that no level of harm is acceptable in our industry. By fostering a culture of awareness, accountability, and open communication, we empower our people to identify and address potential risks.

## OUR SAFETY PILLARS

**Communicate**
Open and honest dialogue is essential. We share knowledge, learn from mistakes, and celebrate successes.

**Be Aware**
Vigilance is key. Our employees are trained consistently to recognize hazards and take proactive steps to mitigate them.

**Be Accountable**
Safety is everyone's responsibility. We empower our people to speak up, intervene, and take ownership of their safety and the safety of their colleagues.

By embracing these pillars, we strive to make safety a second nature, ensuring a safe and healthy workplace for all.
