Bills used for the OK2A Legislative Grade:

HB1789 SB978 HB2051 HB2139 HB2136 HB2644 HB2647

HB2648 SB26 SB613 SB212 SB669/HB2114 HB2118

Every legislator is given an “A” to begin with and how they vote determines if they maintain their grade with support for legislation or lower the grade by not supporting legislation that reflect the oath they took for the position.

Legislators may receive “Modifiers” for introducing, advancing, assisting, coauthoring, and having legislation signed into law. This can also apply to those that stop bad legislation.

OK2A is responsible for creating, modifying, and repealing over 150 measures in Oklahoma including the Nation’s First Anti Red Flag Law and all in the past 13 years. This is why OK2A is "The States Leading Advocate for Second Amendment Rights" in Oklahoma.
