Notes:

[1] This is a listing of all communities in the Province of Newfoundland and Labrador as identified for the 2016 Statistics Canada Census of Canada, based on 2016 Statistics Canada geographic boundaries and the following definition:

A community may be a city, town, village, Indian reserve, or a cluster of five or more dwellings (i.e., a settlement) that is locally known by a specific name but lacks legal boundaries or local government. To be defined as a community, a village, Indian reserve, or settlement must be inhabited for at least six months of the year and have an estimated 2011 Census population of at least 10 residents. Where possible, settlements not meeting these criteria are included under a neighbouring community. Otherwise, they are included in the "Between Communities" category.

[2] Due to significant changes to the Consolidated Census Subdivision (CCS) geography in Newfoundland and Labrador for the 2016 Census, this table is grouped according to 2011 CCS boundaries to maintain consistency with historical data. Population data based on 2016 CCS boundaries are available upon request.
